

Lisa's Dance Connection Summer Dance 2011

We are looking forward to an exciting summer at Lisa's Dance Connection. We have three great summer sessions to fit your busy summer schedules. Each session will be different, and we recommend all three sessions for those of you looking for fun activities for your children this summer. We also have fabulous dance camps, Wacky Wednesdays, and Super Saturdays, and Birthday Parties available.

Summer dance classes are a lot of fun and a great chance for the students to learn new steps and work on their dance technique. Summer dance classes have fewer students than Fall classes, so it is a great opportunity for your child to explore dance for the first time or to make the transition back into dancing.

We hope you will join us for our 19th annual dance recital, "Dance, Love, Sing," at the Temple College Performing Arts Center Auditorium on Saturday, May 21, at 10 a.m., 2 p.m., & 6 p.m.. The shows are free and open to the public.

Lisa's Dance Connection is committed to providing a quality, comprehensive dance education program for students ages birth through adult. We are blessed to have a fabulous staff of professional and loving dance teachers. We have hardwood dance floors in all of our dance rooms, large classroom viewing windows for the final class of each session, closed circuit television systems for classroom viewing during the entire session, and a spacious waiting room for parents and families.

Fall classes will begin September 6. Fall schedules will be mailed out at the end of July. Students taking Summer classes will have first choice of class times for the Fall.

Please fill out the information form attached and mail it to:
