# Tuition Rates

**Registration Fee of \$35 per dancer or \$50 per family is due at time of registration.**

**Fall/Spring Classes run from September 2023 to May 2024.**

Dancers are considered enrolled in their classes from their start date to their final class in May. If your dancer needs to drop classes, we must receive 30 days notice.

## Family Discount

Tuition is calculated per student. Families with multiple students should add up total hours per child and combine those totals, then subtract \$5 per additional sibling excluding the first child.

## Cash/Check Discount

Families can receive \$5 off their monthly total by paying with cash/check by the first day of each month. The cash/check discount is \$5 off the tuition total for the family, not per student.
