Tuition Rates

Registration Fee of \$45 per dancer or \$60 per family due at time of registration includes LDC T-Shirt!

Fall/Spring Classes run from September 2024 to May 2025.

Dancers are considered enrolled in their classes from their start date to their final class in May. If your dancer needs to drop classes, we must receive 30 days notice.

Family Discount

Tuition is calculated per student. Families with multiple students should add up total hours per child and combine those totals, then subtract \$5 per additional sibling excluding the first child.

Cash/Check Discount

Families can receive \$5 off their monthly total by paying with cash/check by the first day of each month. The cash/check discount is \$5 off the tuition total for the family, not per student.
